PURPOSE

This student handbook was developed to answer many questions commonly asked that students and parents may have during the school year. It also is developed to provide information related to Lakewood Local School District Board of Education policies and procedures.

This handbook contains important information. Please take time to become familiar with the information contained in the handbook. If you have questions that are not addressed in the handbook, you are encouraged to talk to teachers or the building principal.

This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the status of the board's policies and the school's rules as of June 2022. If any policies or guidelines referenced herein are revised after June 2022, the language in the most current policy or administrative guidelines prevails. Current copies of all board policies are available online at www.lakewoodlocal.k12.oh.us and click on District/Board of Education.

Fourth nine week report card will be sent home on the last day of school. Half-way through each grading period students will receive progress reports.

PARENT-TEACHER CONFERENCES

There are three conference dates when teachers are available to meet with parents regarding student performance. If, however, you wish to conference with your child's teacher at any other time during the school year, we will be happy to accommodate you.

Scheduled Parent / Teacher Conference Dates

October 25, 2022	4:00pm- 7:15 P.M.
November 3, 2022	4:00pm- 7:15 P.M.
February 9, 2023	4:00pm- 7:15 P.M.

Note: Feel free to call your child's teaching team anytime to schedule a special conference.

With any type of reporting tool, the primary goal is communication. The Report Card's purpose is to communicate to parents the growth and achievement status of their child. The report card separates academic achievement from work ethic and behaviors to help parents better understand their child's strengths and areas for growth. The report card is broken down into essential skills and content for the grade level.

Student achievement will be determined by examining a collection of student evidence to verify what a child knows and is able to do at a given point in time. Evidence may be informal, such as teacher observation, classroom discussion, or formal, such as written assessments, projects, portfolios, and student demonstrations. With standards based grading, student achievement is not based on averages. The final achievement mark on the report card represents the learning level at the end of an instructional unit. Students are not penalized for mistakes made at the beginning of the learning process.

INSTRUCTIONAL MATERIALS

All student instructional materials (e.g. laptops, classroom/library books, textbooks) are loaned to students for appropriate use during the school year and are to be handled with care per staff directions. If lost or damaged, the student is responsible for the cost of replacing the item.

B. ATTENDANCE

The faculty and administration of Hebron Elementary School believe that school attendance is one of the best indicators of student success in school. Regardless of the reason for absence, any missed class is missed learning. Approximately six (6) hours of instruction are lost during a day of absence. Helping our children maintain good school attendance is the responsibility of every parent. It is also one of the greatest things parents can do for their children.

Students are required by law to attend school. Section 3321.04 of the Ohio Revised Code states that every parent, guardian, or other person having charge of any child of compulsory school age (between 6 and 18 years of age) must send such child to a school which conforms to the minimum standard prescribed by the state board of education for the full time the school attended is in session. Such attendance must begin within the first week of the school term, or within one week of the date on which the child begins to reside in the district.

The statutes governing school attendance are very specific and leave specific guidelines to school authorities for the regulation of student attendance. Acceptable excuses for absence (according to the Ohio Revised Code) are as follows:

1. Personal illness
2. Appointment with a health care provider
3. Illness in the family necessitating the presence of the child
4. Quarantine of the home
5. Death of a relative
6. Work at home due to the absence or incapacity of a parent or guardian
7. Observance of a religious holiday
8. Out-of-state travel (up to a maximum twenty-four (24) hours per school year that the student's school is open for instruction) to participate in a District-approved enrichment or extracurricular activity
9. Such good cause as may be acceptable to the Superintendent
10. Service as a precinct officer at a primary, special, or general election in accordance with the program set forth in Policy 5725
11. College Visitation
12. Medically necessary leave (ordered by a doctor)
13. Absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status
14. Absences due to a student being homeless

In addition to these, Hebron Elementary School will excuse student absence from school for:

1. Approved field trips and school sponsored/related activities.
2. Pre-planned absences, which require advanced notification and administrative approval (i.e. family trips). Pre-planned absence forms may be picked up in the office and, whenever possible, should be completed at least one week in advance of the absence. Please note that the hours of vacation time are included in the excessive absence total and can result in parents being required to provide medical documentation if their student reaches the 65 hour mark during the school year.

Unexcused absences include, but are not limited to:

Oversleeping	Car trouble
Missing the bus	Family errands
Shopping	Entertainment
Suspension	Vacation (unless approval has been given for a prearranged absence)

ABSENT FROM SCHOOL

When a student is absent, **a parent must call (740) 928-2661** to notify the school of the absence as early as possible on the day of the absence. The school also requests a note the day a student returns from an absence. If no call or note is received, the absence will be considered unexcused.

Contacting the Parent/Guardian of an Absent Student

When a parent, guardian, or other person having care of a student has failed to initiate a telephone call or other communication notifying the school or building administration of the student's excused or unexcused absence with 120 minutes after the beginning of the school day, the attendance officer or designee for each school building shall make at least one (1) attempt to contact the parent, guardian, or other person having care of any student who is recorded as absent without legitimate excuse within 120 minutes after the beginning of each school day by a method designated by the Superintendent in accordance with Ohio law(see AG5200).

LEAVING SCHOOL

If it is necessary for a student to leave school, s/he must have written or (at least) verbal permission from his/her parent or guardian. In case of unavoidable medical appointments, the student should bring a written excuse to the teacher who will send it to the office. Any school time missed due to leaving school early is included in absence totals as either excused or unexcused depending on the circumstances.

STUDENTS LEAVING SCHOOL PROPERTY, MUST BE SIGNED OUT IN THE OFFICE BY PARENT/AUTHORIZED ADULT.

MEDICAL EXCUSES

Upon returning to school, students must provide school officials with a medical verification of the child's medical appointment. Most doctors' offices have these forms available. Students and teachers will work together to make-up any missed school work.

PERFECT ATTENDANCE

Perfect attendance is defined as being present in school all day, every day. Students who arrive after 8:50am or leave for any period of time (doctor/dentist/illness) before dismissal **will not** qualify for perfect attendance. The school understands that your child may have an occasional appointment scheduled during school hours. Such absences are considered excused for our records, but **not** considered perfect attendance.

TARDY TO SCHOOL

Students must check in at the office anytime they enter the school after 8:50am. Any time that is missed from school due to being tardy will count towards attendance and the accumulation of minutes in either excused or unexcused categories.

END OF DAY DISMISSAL PROCEDURES

In order to take advantage of every minute of instruction for our students, parents are asked to refrain from signing out students early except in the case of an emergency or medical appointment. Parents are asked to schedule appointments, whenever possible, at times that do not negatively impact their child's attendance.

Excessive Absences

When a student of compulsory school age is absent from school with combined non medical excused absences and unexcused absences in excess of thirty-eight (38) or more hours in one (1) school month or sixty-five (65) or more hours in a school year, that student is considered excessively absent from school.

The following "medical excuses" will not count toward a student's excessive absence hours: (1) personal illness; (2) illness in the family necessitating the presence of the child; (3) quarantine of the home; (4) health care provider appointments (doctor, dentist, mental health provider, etc.); (5) medically necessary leave for a pregnant student in accordance with Policy 5751; (6) death in the family; or (7) other set of circumstances the Superintendent deems on a case-by-case basis to be a good and sufficient cause for medical absence from school.

A medically excused absence occurs any time a student is out of school due to illness or medical visit (physician, dentist, mental health, etc.). A medical excuse for personal illness will be accepted in the form of a doctor's note within five (5) school days of the absence or parent call-in on the day of the absence due to illness or doctor's visit. A student may have up to ten (10) medically excused absences without a doctor's note but with a phone call from a parent/guardian. This policy will be extended beyond ten (10) days if the student or someone in the student's family is in quarantine due to a recognized pandemic/epidemic (e.g., COVID-19) or experiencing symptoms of the pandemic/epidemic.

HABITUAL TRUANCY

A student will be considered habitually truant if the student is of compulsory school age and absent without legitimate excuse (UNEXCUSED) for thirty (30) or more consecutive hours, for forty-two (42) or more hours in one (1) school month, or for seventy-two hours or more in one (1) school year.

Note: A student is designated as habitually truant only through the measurement of unexcused absences. Schools must initiate intervention procedures for habitually truant students. If the interventions fail, the school must file a complaint against the habitually truant student in juvenile court. Excessive absenteeism is marked by an accumulation of both excused and unexcused absences. Intervention strategies may be implemented for students designated excessively absent, but a notice to parents is required. No further action toward the excessively absent student is

required unless the student becomes habitually truant. The parent notice is purely a warning that the child has missed an excessive amount of school hours, both with and without legitimate excuse.

EARLY DISMISSAL POLICY

No student is permitted to leave school without the permission from a custodial parent and the school office. Students should turn in their early dismissal notes to their homeroom teacher in the morning. Parents, or those authorized by the parent, must sign the student out in the office before leaving school. If a student returns to school the same day after an appointment, they must report to the office upon reentering. If the student has a documented excuse it should be turned in at this time. Any time that is missed from school for an early dismissal will be included in the accumulation of minutes in either excused or unexcused categories.

VACATIONS

The scheduling of vacations while school is in session is discouraged, however, administration is aware that in some cases extenuating circumstances arise, and consequently might approve one (1) vacation request up to 5 days on a case-by-case basis if the vacation request is made in writing and submitted to the consideration of the school administration 10 days prior to the expected student absences. The district will only approve a student's absence for a vacation when s/he will be in the company of his/her own parent/legal guardian. **Please note that the hours of vacation time are included in the excessive absence total and can result in parents being required to provide medical documentation if their student reaches the 65 hour mark during the school year.** Vacationing students may be given approximate assignments, materials and pages to be completed.

ATTENDANCE APPEALS COMMITTEE

An attendance committee will be formed and will consist of teachers and administrators for litigating purposes. In the event of an exceptional circumstance, families may "appeal" his or her attendance situation to this committee.

Note: The administration has final discretion on attendance.

SCHOOL'S RIGHT TO CHALLENGE EXCESSIVE ABSENTEEISM

The Board of Education and/or its representative reserves the right to verify such statements and to investigate the cause of each single absence (Lakewood Board of Education Policy 5200).

C. DISCIPLINE

HEBRON ELEMENTARY SCHOOL RULES

1. Be kind.
2. Be safe.
3. Be helpful.

The student Code of Conduct meets the standards of the Due Process Law (PL93-380), Lakewood School District Suspension and Expulsion Policy number 5610 and H.B. 421 Ohio Revised Code. Also, good conduct conforms to the philosophy that good order and discipline within the school setting provide the most favorable atmosphere for learning. It is further believed that public education is a privilege and students should always strive for good behavior and good school citizenship.

Each classroom teacher is responsible for the discipline of students in his/her care; however, assistance from the school administration may be sought when necessary. With the cooperation and support of parents, school administrators, teachers and other staff members in helping students work toward improved self-discipline, the learning climate in the Lakewood School District can be greatly enhanced.

One of the most important lessons education should teach is discipline. While it does not appear as a curricular subject, it underlies the educational structure as a whole. It is the training that develops self-control, character, orderliness and efficiency. It is the key to good conduct and proper consideration for others. We believe that appropriate behavior must and will be rewarded and inappropriate behavior will be identified and corrected.

Students who violate school rules or procedures will be disciplined according to the severity of the act. A parent will be notified whenever a teacher or administrator feels it is appropriate.

This Code of Conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs. In addition, this Code of Conduct includes

1. Misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school property; and
2. Misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

Violation of the Code of Conduct may result in verbal or written warning, parental contact or conference, loss of privileges, lunch/after school detention, in-school suspension, confiscation, emergency removal, out of school suspension, referral to law enforcement agencies, or expulsion.

DISCIPLINE VIOLATIONS

The following listings are punishable discipline violations and penalties in the Lakewood Local School District. Punishable offenses are **NOT** limited to these examples:

Violations	Major Violations
Profanity	Extreme Profanity
Dress Code Violation	Insulting/Taunting/Harassing Others
Bringing Unauthorized Items to School	Cheating (Beyond First Offense)
Being in an Unauthorized Area	Theft
Improper Behavior at Assemblies and Events	Assault/Battery/Unauthorized Touching
Cheating (First Offense)	Truancy
Chronic Tardiness	Possession of Weapons and/or Explosives
Misuse of Hall Pass	Arson
Hallway or Cafeteria Disruptions	Under the Influence of Narcotics, Alcohol or Other Substances

	Use/Possession of Tobacco and Related Products/Narcotics/Alcohol Beverages (including counterfeit)
	Extreme disruption of school processes

The following violations may result in disciplinary action. Violations are **NOT** limited to these examples:

ASSAULT/BATTERY/UNAUTHORIZED TOUCHING

A student shall not behave in such a way as could cause physical injury to any other person nor engage in unauthorized touching at the school or school activities. Acts deemed to be vicious and physically unprovoked may be turned over to the Sheriff's Department for possible charges.

BEHAVIOR AT SCHOOL EVENTS

Students are expected to conduct themselves in a mature, sportsmanlike manner while attending school events, including assemblies, dances and extracurricular activities. Failure to do so may result in disciplinary action. Students are not permitted to leave the building or facility during these events. Those who leave will not be permitted re-entry.

CELL PHONES/ELECTRONIC DEVICES/AUDIO OR VIDEO RECORDING DEVICES

Cell phone (for the purpose of texting) or personal electronic device use by students is to be limited to before school and after school. Use of cell phones/electronics during any class period, other than educationally-based use directed by the classroom teacher, may result in disciplinary action. Phones or devices that are visible or audible in the building are considered "in use" and will be confiscated. Confiscated items may be released only to parents. Additionally, the administration reserves the right to examine any student's cell phone/picture phone for violations of the conduct code, Board policy, or the Ohio Revised Code. Students who convey cell phones/picture phones to school should entertain no expectation of privacy concerning his/her cell phone/picture phone. School personnel will not pursue the recovery of phones/devices that are lost or stolen during the school day. Due to the disruptive nature of actual cell phone calls, all calls are to be made in the office with permission from office personnel.

Using a cell phone or electronic device in an unauthorized manner or in violation of Board Policy 5136 or this guideline may result in loss of this privilege, additional disciplinary action (e.g. warnings, parental notification and conferences, suspension, expulsion), confiscation of the device (in which case, the device will only be released/returned to the

student's parent/guardian after the student complies with any other disciplinary consequences that are imposed), and/or referral to law enforcement if the violation involves an illegal activity. A person who discovers a student in possession of or using a cell phone or electronic device in violation of this guideline is required to report the violation to the building principal. If a school teacher or administrator observes a violation of this guideline, s/he is required to confiscate the device and bring it to the building principal's office and provide the name of the student from whom the device was taken. The device will be stored in a secure location until it is retrieved by the student's parent/guardian. Students whose cell phones or electronic devices are confiscated may be required to contact their parents/guardians to inform them that the item was confiscated and that it will only be returned to the parents/guardians. Confiscated devices will not be searched or otherwise tampered with except in exceptional circumstances (i.e. school officials reasonably suspect that the search is required to discover evidence of a violation of law or other school rules).

Students are prohibited from using cell phones or other electronic devices to capture, record, or transmit the words (i.e. audio) and/or images (i.e., pictures/video) of any student, staff member, or other person in the school or while attending a school-related activity, without express prior notice and explicit consent for the capture, recording, or transmission of such words or images. Using a cell phone or electronic device to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted, unless authorized by the building principal. Students who violate this provision and/or use a cell phone or electronic device to violate the privacy rights of another person may have their cell phone or electronic device confiscated and held until the end of the school year (Taken from Board Policy 5136).

CHEATING

Presenting someone else's work as one's own in order to obtain a grade or credit is considered to be cheating. This includes, but is not limited to, copying others' assignments and quiz or test answers. If a student is discovered cheating, the teacher will confer with him/her privately to determine the reason for the behavior and work with the student to redo that assignment or an alternate assignment as well as teach the student ways to avoid cheating in the future. The teacher will inform the parent of the incident. A second incident may result in disciplinary action and failure of the assignment.

COMPLIANCE WITH DIRECTIONS/INSUBORDINATION

Students shall obey all lawful and/or reasonable instructions of administrators, teachers, substitute teachers, teacher aides, bus drivers, and all other school personnel who are authorized to give such instructions during any specified period of time when the students are subject to the authority of such personnel. The Ohio Revised Code 2151.022 defines an unruly child as any child who does not submit to the reasonable control of the child's parents, teachers, guardian, or custodian, by reason of being...habitually disobedient. Failure to comply with directives from staff members is illegal and will be viewed as a major violation of the Code of Conduct, and may result in suspension, expulsion and possible referral to law enforcement agencies.

DAMAGE TO PRIVATE PROPERTY

A student shall not knowingly or with reckless disregard cause or attempt to cause damage to private property while such student is on school premises, under school authority (including buses) or while at any school-sponsored activity, function, or event. This includes deleting or altering a student's saved work on a school or personal device.

DAMAGE TO SCHOOL PROPERTY

A student shall not knowingly or with reckless disregard cause or attempt to cause damage to school property including but not limited to buildings, ground, equipment or materials. In accordance with state law, parents may be liable for payment for the cost of repair or replacement of any such property damage caused by the acts of their children.

DANGEROUS WEAPONS AND INSTRUMENTS

No persons shall knowingly convey, attempt to convey, or possess any deadly weapon or dangerous ordinance onto or on any property owned by or controlled by the Lakewood Local School District. This prohibition includes chemicals, firearms, explosives, or fireworks or the possession or use of an object that is indistinguishable from a firearm or other weapon of any type. Section 2923.122 of the Ohio Revised Code makes it a felony for any person to knowingly convey, attempt to convey, or possess any deadly weapon or dangerous ordinance onto or on any property owned or controlled by, or to any activity held under the auspices of a school. No weapon or dangerous ordinance of any sort is to be brought to or possessed in school (busses included) or any school event. Suspension or expulsion from school may result in any violation of these codes. Law enforcement authorities and Juvenile Court will also be contacted. (Reference- Lakewood Board Policy 5772.)

DEGRADING ACTS

A student shall not engage in an act, which degrades him/herself or others at the school or school activities. Obscene gestures, actions, words, possession or circulation of pictures, writing, or publications, etc., which are degrading or obscene are prohibited.

DISRESPECTFUL COMMENTS / ACTIONS TOWARD STAFF

Students shall recognize the authority of each staff member employed by the Board of Education by treating and responding to them respectfully, and complying with their reasonable and lawful directives.

DISRUPTION OF SCHOOL

A student shall not by use of force, violence, coercion, threat, or other means, cause a disruption or obstruction of the regular operation of the school or school activities.

FALSE INFORMATION

A student shall not give or assist in giving false or fictitious information to any police department, fire department, school official, or any other person acting in an official and lawful capacity.

FIGHTING

Students involved in fighting, hitting, slapping, punching, inciting/instigating a fight, making menacing threats, or engage in unauthorized touching in school or at school sponsored events or activities may be assigned in-school suspension or suspended from school based on the severity of the act. Acts deemed to be vicious and physically unprovoked may be turned over to the Sheriff's Department for possible charges. Throwing a punch may result in a 3 day suspension.

FORGERY

An act of providing school officials with inaccurate information by making or altering a document (attendance notes, doctor's slips, etc.). This type of forgery is a major violation.

HAZING

No student or group of students shall take part in an act done to haze by way of initiation, or to harass by ridicule, criticism, derogatory or racial comment. This will be considered a major violation.

INAPPROPRIATE LANGUAGE/GESTURES/WRITING

The use of improper, socially unacceptable, profane or lewd language, gestures and inappropriate inferences in school or at school activities is strongly prohibited. The same behavior expressed in written form is also prohibited and carries the same penalties as if it were spoken.

INDUCING PANIC

Inducing panic in school, such as falsely engaging alarms or making bomb threats is a felony. HB 382 provides 18 months in prison and up to a \$2,500 fine. If damage of \$5,000 or more is caused or injury occurs, the penalty increases to one to five years in prison. If damages exceed \$100,000; penalty increases to two to eight years in prison. Lost school time may be made up at the end of each day.

INTERNET USE/VIOLATION OF AUP

Students in the Lakewood Local Schools may have access to the Internet and the World Wide Web to support research that is relevant to educational and school projects. Before this is possible, each parent and student must read, sign, and agree to adhere to the Acceptable Use Policy (AUP) agreement. The AUP will be issued by the office or the classroom teacher as a separate document. Misuse or abuse of this policy is considered a major infraction, which may result in the loss of Internet access, as well as disciplinary and/or legal action.

NARCOTICS, ALCOHOLIC BEVERAGES & DRUGS (INCLUDING COUNTERFEIT)

The Lakewood Local Board of Education recognizes that the misuse of drugs is a serious problem with legal, physical, and social implications for the whole school community (taken from Board Policy 5530).

If a student violates the school regulation regarding drugs and alcohol or if it appears that chemical dependency exists, the school recognizes that it must share these concerns with the family and student involved.

1) Students shall not possess, use, transmit, receive, sell, conceal or consume any alcoholic beverage or intoxicant, any unlabeled or unknown substance, or any of the drugs of abuse. Students shall not show any evidence of consumption of any of the previously listed substances. This provision shall be applicable to any conduct on school grounds, during and immediately before or after school hours; on school grounds at any other time when the school is being used by a

group; off school grounds at a school sponsored activity, function or event; on a school bus or conveyance; or at any other time during the same calendar day when the student is or will be subject to the authority of the school. Moreover, the student shall not consume any alcoholic beverages or intoxicants or drugs of abuse at any time before the student's arrival at school or at a school-sponsored or related event or activity. Examples of drugs (or look-alike drugs) of abuse include, but are not limited to narcotic drugs, hallucinogenic drugs, generic drugs, amphetamines, steroids, barbiturates, marijuana, glue, cocaine, synthetics, or other substances that could modify behavior.

*Use of drugs in accordance with medical prescription from a licensed physician shall not be considered in violation of this rule. **HOWEVER, ALL SUCH DRUGS MUST BE MAINTAINED IN THEIR ORIGINAL CONTAINER AND SECURED IN THE OFFICE.**

2) Students shall not possess, receive, use, transmit, sell or conceal any drug-of-abuse instrument or paraphernalia (for example hypodermic needle, syringe, pipe, water pipe, rolling papers, lighter, roach clip, vape pens, juuls, or vape/ juul juice).

Penalties for Making, Selling, & Possession of Drugs

Students who possess, receive, use, conceal or consume any alcoholic beverage or intoxicant or any of the drugs of abuse, (including huffing) may be suspended from school for ten (10) school days and be referred to the Sheriff's Department and Juvenile Court. On the second incident the student will be recommended to the superintendent for expulsion from school (80 school days). The same penalties apply to drug-of-abuse instruments or paraphernalia.

*Students who **transmit** or **sell** any alcoholic beverage or intoxicant or any of the drugs of abuse shall be turned over to the Sheriff's Department and Juvenile Court authorities. The student will also be recommended to the superintendent for expulsion from school. (80 school days)

Counterfeit Drugs

OFFENSIVE/PORNOGRAPHIC MATERIAL

Possession of offensive or pornographic materials, whether in written, digital or picture form, is absolutely forbidden at school. Never bring any magazines, cell phones, iPods, or MP3 players that contain nudity/pornography. Possession of these materials may result in disciplinary action.

PLAGIARISM

PUBLIC DISPLAY OF AFFECTION

Hebron Elementary School is not the appropriate place to display public affection (holding hands, hugging, kissing, close contact, etc.) This also includes after school events. Parents may be contacted and continued problems may result in further disciplinary action.

SELLING/BUYING/TRADING ITEMS IN SCHOOL

Students are not to sell, buy or trade **any** items at school for personal profit or for any other non-sanctioned group. The selling of gum, candy and trading cards are examples of items not to be sold. Any violation of this provision may result in the confiscation of the item and disciplinary action.

SETTING OR ATTEMPTING TO SET A FIRE

The intentional attempt to set a fire or the intentional setting of a fire on school property or at a school sponsored activity is not permitted and may result in suspension or expulsion and the filing of appropriate legal charges.

SEXUAL HARASSMENT

The students of the Lakewood Local School District have a right to learn in an environment free of sexual harassment. Sexual harassment includes unwelcome sexual advances, request for sexual favors, and other verbal, physical, or written conduct of a sexual nature. Sexual harassment is to include improper conduct of sexual behavior between staff and students, or student to student. For further explanation and clarification of the adopted board policy number 5400 concerning sexual harassment, you may refer to the Board of Education's policy book. Sexual harassment is not only a major violation of the Code of Conduct, but is also a violation of the law.

STEALING AND VANDALISM

The acts of theft, unauthorized possession of school or personal property or damage to property are violations of the law. Damaging school property or school personnel's private property is prohibited. Such behavior is cause for restitution and further disciplinary action. Students participating in this behavior may be referred to the Sheriff's Department and Juvenile Court.

TAUNTING/HARASSMENT/INTIMIDATION/BULLYING/DATING VIOLENCE

Harassment, intimidation or bullying of any student on school property (including school buses) or at school-sponsored events is strictly prohibited in accordance with HB116. Harassment, intimidation, and bullying are defined as: any intentional written, verbal, cyber, or physical act that a student has exhibited toward another particular student more than once and the behavior both causes mental or physical harm to the other student, and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student. As this is a serious matter, consequences for infractions in this category include suspension, expulsion, or possible referral to law enforcement. Bullying may be reported on the district website at <http://www.lakewoodlocal.k12.oh.us/> or by phone at 740-928-6616.

THREATS/MENACING

TOBACCO

A student shall not show evidence of use, attempt to use, or have in possession, tobacco of any type or paraphernalia (i.e. matches, lighters, rolled paper etc.) at school, school activities, or on the school bus. E-cigarettes and vape pens/juuls will be considered as tobacco products/paraphernalia and will be treated as such under the student handbook code of discipline. Students also may be referred to the County Prosecutor's Office under a new statute, Section 2151.87(B) of the Ohio Revised Code.

USE OF PROFANE OR ABUSIVE LANGUAGE

A student shall not use any profane or abusive language or gestures during school hours or at school sponsored activities. A violation will be considered especially serious if it involves racially insensitive or similar verbiage, or is directed toward a staff member.

•ANY OTHER ACTION(S) DEEMED HARMFUL OR DISRUPTIVE TO THE EDUCATIONAL PROCESS WILL BE DEALT WITH ON AN INDIVIDUAL BASIS.

DESCRIPTION OF DISCIPLINARY ACTIONS

Inappropriate behavior will be addressed by all staff whenever observed. Students who violate school rules or procedures will be disciplined **according to the severity** of the act. A parent will be notified whenever a teacher or administrator feels it is appropriate.

As the administration recognizes that not all forms of disruption can be covered in this handbook, the administration retains the right to add or detract penalties that may have or have not been covered in this code. Our objective is to provide a safe learning environment.

The building principal is charged with the proper enforcement of discipline in the total school setting. S/he has the discretionary authority to apply or authorize other certificated personnel to use the following disciplinary measures to correct pupil behavior:

1. Assign detentions
2. Arrange student conference
3. Arrange in-school-suspension
4. Suspend
5. Remove students from school premises
6. Recommend to the superintendent for expulsion
7. Cite to Juvenile Court
8. Call juvenile authorities and/or notify police
9. Prohibit student attendance at extracurricular activities and events
10. Prescribe other acceptable disciplinary measures

LUNCH/RECESS DETENTION

On occasion, a teacher or principal may issue a lunch/recess detention. Lunch detention will be served during the student's lunch/recess. When a student is assigned recess detention, s/he may be denied the opportunity to participate in recess as a result of his or her behavior. Students may be asked to walk the perimeter of the playground for part of or all of their recess during a recess detention. This enables the student to still get outside to get exercise, but not have free choice play.

RESTITUTION/APOLOGY

Restitution involves allowing a student to perform some service that corrects or makes amends for undesirable behavior. This intervention is focused on the child making up for the wrong s/he has committed. They must physically make up for the wrong, as in restitution by paying for vandalism, or apologize to the one whom a wrong has been perpetrated.

SOCIAL PROBATION/LOSS OF PRIVILEGES

Any student can be denied the privilege to attend any or all of the school's social events, (such as assemblies, extracurricular activities, dances, field trips, etc.) as a means of discipline.

EMERGENCY REMOVAL

A student whose presence poses a continuing danger to persons or property or is an ongoing threat of disrupting the academic process may be immediately removed from the class, activity, or premises without notice or hearing by building administration, superintendent, or his representative.

IN SCHOOL DETENTION (ISD)

ISD is a highly structured environment. While in ISD, the student will be supervised by a staff member while working on class assignments. Classes missed due to days assigned to ISD are not counted as absences.

OUT OF SCHOOL SUSPENSION (OSS)

An out of school suspension may be up to ten (10) school days in duration. Suspensions may carry into the next school year. When a student is suspended out of school those days will be counted as unexcused absences. Missed work may not be made up. During a suspension, students should be under the direct supervision of a parent/guardian during school hours. The student is not permitted to attend any Lakewood Local School District function or be on school property during the suspension. Should school be closed for any reason during a suspension, those days will not count as days of suspension.

EXPULSION

The superintendent of Lakewood Local Schools, for extreme, serious violation or disregard of school policies, may expel a student from school. An expulsion may be for a maximum of eighty (80) school days and may carry into a new grading period/school year.

Exception: weapons are a one year expulsion.

SUSPENSION AND EXPULSION – Due Process

The following policies and procedures for the suspension and expulsion of students is hereby adopted in accordance with HB 421 of the Ohio Revised Code:

- Suspension – before a student is suspended for ten (10) school days or less, the following procedures must occur:
 - The student shall have the opportunity to appear at an informal hearing before the assistant principal, principal, superintendent or his representative. The student has the right to explain his/her actions and to give reasons against the intended suspension. The hearing may take place immediately after the intention notice is presented to the student.
 - The superintendent, principal or designee must give the pupil actual written notice of the intention to suspend.
 - The superintendent or superintendent designee will be the hearing officer if an appeal is made from the parent.
 - If the administrator determines, as a result of the hearing, that the pupil should be suspended, then within twenty-four hours of the suspension, the parent, guardian or custodian of the student must be notified in writing. The notice must include reasons for the suspension and the right of the pupil, parent, guardian or custodian to appeal the action to the Board of Education or its designee, the right to be represented in the appeal, and the right to request that the hearing be held in executive session.
 - The required notice, hearing and right to appeal need to be given only when suspension is contemplated. In the case of “normal disciplinary procedures” in which a pupil is removed from a curricular or extracurricular activity for a period of less than twenty-four hours and is not subject to suspension or expulsion, the due process requirements do not apply. Presumably, the administrator can conduct an investigation of a particular incident and give written notice and a hearing when he or she has concluded that a suspension or expulsion may be warranted. Care should be exercised in utilizing the “normal disciplinary procedures” provision.
 - No particular procedure need be followed in conducting a hearing. The student must be given an opportunity to read the written specification of charges and then to respond. If the pupil denies the charges and other students were involved in or observed the incident or series of events that can either corroborate or refute the student's explanation of his conduct, then fairness would suggest these persons be questioned. The same would apply to members of the staff who may have observed the student's actions. There is no requirement, however, that the student be permitted to confront such persons directly. Local administration regulation or the circumstances of the case may indicate that all persons associated with a potential suspension be interviewed as a group.
 - The administrative officer suspending a pupil should be sure that the written reasons are the real reasons for the intended suspension. The informal hearing should relate to the written reasons given to the student.
- Emergency Removal – The notice and hearing requirements can be temporarily waived in an emergency. If the student's presence “poses a continuing danger to persons or property or is an ongoing threat of disrupting the academic process either within a classroom or elsewhere on the school premises” then:
 - The superintendent, principal or administrative officer may remove the student from curricular or extracurricular activities or from the school premises.
 - A teacher may remove the pupil from curricular or extracurricular activities under his supervision but not from the school premises altogether.

- If a teacher makes an emergency removal, the reasons for the removal must be submitted to the principal as soon as possible.
- The principal or superintendent may reinstate a removed student prior to the hearing but must, upon request, give reasons in writing to the teacher ordering the removal. The teacher cannot refuse to reinstate.
- As soon as possible after the removal, the student shall be given written notice of an informal hearing to be held before the principal, superintendent, or administrative representative not more than 24 hours following the time of the removal.
- The hearing shall be conducted in accordance with the intended disciplinary action, either suspension or expulsion except that the expulsion hearing must be held within 24 hours of the removal. The person ordering the removal must be present at the hearing.

Under an emergency removal, a student may be kept from attending school, class or school activities until the matter of his/her misconduct is resolved by suspension, expulsion, or reinstatement.

Temporary disciplinary removal of students from curricular or extracurricular activities which are for periods of less than 24 hours are not subject to the notice and hearing requirements of suspension and expulsion.

- Expulsion – Only the superintendent may expel a student. When the superintendent wishes to expel a pupil, the following procedures must be utilized:
 - The superintendent must give written notice to the pupil and his parent, guardian or custodian. The notice must include the written reasons for the intended expulsion and that the pupil and his parent, guardian, custodian or representative has the opportunity to appear before the superintendent or his designee to challenge the expulsion or explain the pupil's action. The notice must state the time and place to appear which must be not less than three nor later than five days after the notice is given unless the superintendent grants an extension of time.
 - The pupil or his parent, guardian, custodian or representative may request an extension of time and the superintendent may grant the request. If an extension is granted, the superintendent is required to notify the pupil and his parent, guardian, custodian or representative of the new time and place.
 - A hearing is held before the superintendent or his designee at the appointed time and place. The pupil, his parent, guardian, custodian or representative is given the opportunity to defend against the charges.
 - Written notification of the decision and right to appeal to the Board of Education or its designee is required, as it is for a suspension. The notice must include the reasons for the expulsion, the right to be represented in the appeal and to request the hearing be held in executive session
- Appeals – A student, his parent, guardian or custodian may appeal a suspension or expulsion to the Board of Education or its designee. The Board may either review the case itself or appoint a hearing officer to act in its place. As previously noted, the student has the right to "representation" at the hearing. At the request of the pupil, his parent, guardian, custodian or attorney, the Board or its designee may hold the hearing in executive session. Formal action on the appeal may only be taken in a public meeting. By a majority vote of the Board or by action of the Board's designee, the order of suspension or expulsion may be affirmed, the pupil may be reinstated, the action reversed, vacated or modified.

The Board or its designee must make a verbatim record of appeals hearings. The record need not be reduced to writing. As a practical matter, the record will not be reduced to writing until a Notice of Appeal has been filed with the Common Pleas Court.

A request for an appeals hearing before the Board or its designee must be made within twenty-four hours after the official notification of suspension or expulsion to the pupil, parent, guardian or custodian has been received.

JUST CAUSES FOR SUSPENSION AND/OR EXPULSION

Any of the following actions by students are just cause for suspension and/or expulsion:

- Excessive absenteeism
- Any other action deemed harmful or disruptive to the educational process

Administrators are authorized to search student desks and lockers whenever there are reasonable grounds for the search WITHOUT a warrant or the pupil's permission.

If an administrator or teacher believes a student has a weapon of substance dangerous to persons or property, then the administrator or teacher has the right and duty to conduct an immediate search and seizure.

Lakewood Board of Education policy 5131.3 is in effect in accordance with House Bill 421 of the Ohio Revised Code in regards to due process. This information is available in the school office.

D. MEDICAL

CLINIC/SCHOOL NURSE INFORMATION

A student health clinic is located in our school building. The district nurse covers multiple buildings in the district. When the school nurse is not in the building, the Clinic Aide or building office staff will assist with student care. The clinic offers basic first aid, emergency care, and medication administration.

EMERGENCY MEDICAL INFORMATION

The Emergency Medical form is part of the online registration. The purpose of this form is to enable parents to authorize emergency treatment for children who become ill or injured while under school authority, when parents cannot be reached. It is very important that parents/ guardians complete this online form as promptly as possible so that your child's medical contacts are current in case of an emergency. Information should be updated online if any changes are made during the school year. Students may lose certain privileges (field trips) if this form is not completed online. Be sure to complete and update emergency medical information in the Final Forms system promptly and correctly.

<https://lakewoodlocal-oh.finalforms.com/parents/login>.

IMMUNIZATIONS

The nurse must check for proper immunizations as prescribed by State Law. The required immunizations are

1. DPT
2. Polio
3. Measles, Mumps, and Rubella (MMR)
4. Hepatitis B,
5. Varicella (Chickenpox).

If a student's shot records do not indicate that these immunizations have been given, parents will be asked to provide proof to demonstrate compliance with the law or the student may be removed from attending until proof of required immunizations has been obtained.

HEAD LICE

Head lice is a universal problem and is particularly prevalent among elementary school-age children. Control of lice infestation is best handled by adequate treatment of the infested person and his/her immediate household and other close personal contacts.

Communication from the school to parents directly and through parent and classroom education to the students will help increase the awareness for both parents and child. Parents need to continually observe their child for this potential problem and treat it adequately and appropriately as necessary.

If a child in the District is found to have lice, the child's parent will be contacted to pick him/her up immediately and to have the child treated. After treatment and upon returning to school, the child will be examined by the school health staff or principal. The District practices a policy of no live lice as a criteria for return to school. In instances where re-occurrences are prevalent, the principal or nurse, at his/her discretion, may determine that no nits are a criteria for return to school.

ILLNESS AT SCHOOL

When a student becomes ill or injured, the school will attempt to notify a parent or secondary contact. If an authorized person listed on the emergency medical form cannot be reached, the student may be taken to a doctor or hospital for treatment (if deemed necessary). Be sure to complete and update emergency medical information in the Final Forms system promptly and correctly. <https://lakewoodlocal-oh.finalforms.com/parents/login>

Under normal circumstances, parents will be contacted and the student will be sent home if s/he vomits, has a fever or if a communicable illness/disease is suspected. It is important students not come to school with a fever or if they are vomiting. It is advisable to stay home until fever-free for twenty-four (24) hours.

STUDENT INSURANCE

Accident insurance is available for pupils on a voluntary basis. Two plans are available: school time coverage and 24-hour coverage. Insurance forms are sent home with the students at the beginning of the school year.

USE OF MEDICATION

Before any prescribed medication is administered during school hours, the Authorization to Administer or Assist with Medication or Treatment form (5330F1) must be completed by both the parent and licensed health professional. Before any over the counter medication may be administered during school hours, form 5330F1 must be completed by the parent and, if necessary, a licensed health professional.

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believe are inaccurate or misleading. Parents or eligible students may ask the school to amend a record they believe is inaccurate or misleading. They should write to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible

student, the school will notify the parent or eligible students of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:
Family Policy Compliance Office
U.S. Department of Education

FERPA: Notice for Disclosure of School Directory Information

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Lakewood Local School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the Lakewood Local School District may disclose appropriately designed "directory information" without written consent, unless you have advised the district to the contrary in accordance with district with district procedures. The primary purpose of directory information is to allow the Lakewood Local School District to include this type of information in your child's educational records and in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. Unless directed otherwise by parents, non-military organizations may be provided student names only.

FEES

A \$40.00 fee is required for students in grades K-2. School fees should be paid by the end of the first nine weeks. Any non-paid fees follow a student from grade to grade, building to building. All monetary obligations must be taken care of in order to receive a diploma at graduation. If a student withdraws to another school district during the year, records are not released until fees are paid in full.

The \$40.00 fee will cover such items as:

- | | |
|---|---------|
| • Workbooks for Reading/Math | \$20.00 |
| • Online instructional subscriptions-math/reading | \$10.00 |
| • Student take-home folder | \$1.00 |
| • Construction paper and copy paper | \$9.00 |
- (to reproduce workbooks, assignments, other instructional materials)

FIELD TRIPS Field trips are sponsored by classes or organizations to enhance learning and programs. Students must have a current emergency medical form and a signed field trip form to attend.

A Waiver of School Fees Form is sent in the registration packet. Please complete and return this form to the building office by the end of September. If you have children who are currently recipients of funds from Aid to Dependent Children (ADC) or Ohio's Disability Assistance Program (ODA), they are eligible for a fee waiver. Parents will receive a letter to notify them if school fees are waived. For your convenience, registration forms are also located on both the district's and Hebron's homepages. Look for them under the Downloads tab at www.lakewoodlocal.k12.oh.us.

HALLWAYS

Students should be in the halls only at the beginning and closing of school and while moving from one class activity to another unless they have special permission or special duties that require them to use the hallway. Students in the halls during class time must have clear permission (hall pass) from a supervising teacher or adult. Students are asked to be silent and courteous at all times and to keep to the right when moving in the halls. Running and/or noisy behavior in the hallways is never permitted.

GUIDANCE

Guidance services are available for every student in the school. The school social worker is available to help students with school, home, and social concerns. Students should feel free to take any problem or question to the counselor. Students wishing to visit the counselor should stop in the office to make arrangements. Parents are encouraged to call the counselor if they have school related concerns that the staff should be aware of.

INDIVIDUALS WITH DISABILITIES

The Lakewood Local School District provides a variety of special education programs and related services to students identified with disabilities through an evaluation process as defined by the Individuals with Disabilities Improvement Act (IDEIA). If a disability is identified, the child can begin receiving the appropriate special education and related services through an Individual Education Plan. Parents are encouraged to be an active participant in the process. The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the district's programs and facilities.

LOST AND FOUND

If you find items that "appear to be lost" give them to a teacher or turn them into the office. Unclaimed items will be donated to a local charity twice per year.

LUNCH/BREAKFAST/CAFETERIA

The lunchroom is operated for the benefit of the students and teachers. A Point of Sale (POS) system allows parents to complete and submit free/reduced lunch applications online. Parents may also make online deposits for their children and view meal purchase history. You may still send cash or checks made out to Lakewood Local Schools to purchase items. Directions for using the system will be sent home on the first day of school.

A student breakfast will cost \$1.50 and a reduced breakfast will cost \$0.40. A student lunch will cost \$3.00 and a reduced lunch will cost \$0.40 while milk will cost \$0.50. Free and reduced lunch forms are sent home early in the school year or may be obtained in the office.

Wellness Policy

The Lakewood Board of Education recognizes that good nutrition and regular physical activity affect the health and well-being of the District's students. Furthermore, research suggests that there is a positive correlation between a student's health/well-being and his/her ability to learn. Moreover, schools can play an important role in the development process by which students establish their health and nutrition habits by providing nutritious meals and snacks through the schools' meal programs, by supporting the development of good eating habits and by promoting increased physical activity both in and out of school.

As required by law, the Board of Education has established a Wellness Policy for the Lakewood Local School District which includes:

1. Foods and beverages sold or served at school will meet the nutrition recommendations of the US Dietary Guidelines for Americans.
2. Students in all school buildings may have bottled water in the classrooms at the discretion of the building principal.

3. Students may participate in a maximum of one celebration involving foods of minimal nutritional value per month during school hours. Board policy indicates that the building principal must approve any celebration involving foods of minimal nutritional value. **No homemade treats are permitted to protect students/staff with food allergies.**
4. Foods of minimal nutritional value will not be sold or distributed for a time period beginning thirty (30) minutes before school and ending thirty (30) minutes after school, daily.

Foods of Minimal Nutritional Value and Our Cafeterias

Lakewood Local Schools may not provide access to Foods of Minimal Nutritional Value (FMNV) during scheduled student meal periods in our school cafeterias. Due to the Healthy Hunger Free Kid's Act and the National School Lunch Program regulations, Lakewood could jeopardize the State and Federal subsidies they receive by doing so. What does this mean? Basically, parents are asked not to deliver Foods of Minimal Nutritional Value to their child at lunchtime to the school office or directly to the cafeteria. Items such as carbonated beverages or "fast food" would be examples. If you have any questions, contact our cafeteria coordinator at 928-6791. Thank you for your cooperation.

PARENT PICK UP (CAR)/DROP OFF PROCEDURES

Please note that school hours are 8:50 A.M. - 3:20 P.M. Drop-off time for students being brought to school by parents in the morning begins at 8:30 A.M. and students should be in the classroom by 8:50. Students are considered tardy at 8:50 and parents will report to the office with the student to sign them in. Any student who arrives after 8:50 will be considered tardy and this will count against perfect attendance and will be included in total absenteeism/ truancy figures. Please plan your mornings accordingly so your child is in the room each day with his/her class ready to complete the morning routine and prepare for the daily activities that begin at 8:50.

Students will be greeted and supervised by staff members upon entering the building. Only parents with appointments or specific business with office staff may enter the building and must go directly to the office.

Car pick up and drop off by parents will take place on Deacon Street in front of the school at the west end. The buses are located around the back and east side of the building. No traffic is allowed in this area between 8:15 – 9:00 and 3:00 – 3:45. Any student signed out before 3:18 will be considered an early dismissal and this will count towards perfect attendance and total absenteeism/ truancy figures. In order to take advantage of every minute of instruction for our students, parents are asked to refrain from signing out students early except in the case of an emergency or medical appointment. Parents are asked to schedule appointments, whenever possible, at times that do not negatively impact their child's attendance. Parents will not be admitted to the building to wait for car pick-up students. Parents are asked to wait in their cars and car pick-up students will be released to cars by staff members. Walkers will be dismissed at approximately 3:25 and walking parents may meet their students on the front sidewalk near the office at 3:25. Students from JIS with siblings at Hebron may ride a shuttle bus to Hebron in order to make pick-ups more convenient for families. Students with a sibling coming from Jackson can be dismissed when the Jackson shuttle arrives at Hebron, approximately 3:25 p.m. with walkers.

Student dismissal plans or changes should be submitted to the school secretary in writing or by phone before 2:30 p.m.

In the interest of student safety, all visitors, including parents, must report to the office immediately upon entering the building. Parents who need to then go to a classroom will be issued a pass to inform the staff that the movement is authorized.

PLEASE YIELD TO BUS TRAFFIC EXITING THE MAIN DRIVEWAY. DO NOT BLOCK ANY SCHOOL EXIT, ENTRANCE OR CURB.

- Students must walk to the playground in an orderly manner
- Coats and/or jackets brought to the playground are to stay on or with the student for the entire recess.

As a parent of a student at Hebron Elementary, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you so desire. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Ohio Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
