

Cool Off With Great Books!

Dear Families,

We are excited to start our **Summer Reading Incentive Program** at Hebron Elementary! As you know, it's extremely important to read during the summer to avoid the summer slide. Every child that returns this summer reading punch card will receive a **Popsicle Party**. The class with the most summer reading cards returned will receive a special Class party!

The reading punch card is easy to complete! Every time you read for 20 minutes color, punch, or put a sticker on a bubble.

Please return the completed form the first week of school. Every child that returns the form will be invited to the **Popsicle Party!**

***To access this form online, go to: reading.lakewoodlocal.org

SUMMER **READING PUNCH CARD** 

Name: _____ Read each day for 20 mins.
